

## Announcement

---

09 March 2017

It has come to AmMetLife Insurance Berhad's attention that the event organizer, in its latest Facebook posting on 8 March 2017, continues to refer to the forthcoming event in Kuching, Sarawak on 12 March 2017 as the "AmMetLife Sarawak Marathon Kuching 2017". This is misleading because as announced earlier on 1 March 2017, AmMetLife has withdrawn as title sponsor for the Twin-City Marathon 2017 which comprises the Marathon Kuala Lumpur 2017 (which did not take place as scheduled on 5 March 2017) and the Sarawak Marathon Kuching 2017. AmMetLife has also officially communicated with the event organizer requesting the organizer to stop using the AmMetLife name or logo in conjunction with both events. AmMetLife regrets that this request has been ignored or disregarded by the event organizer. Members of the public and runners who have signed up for these events are reminded that the event organizer does not have AmMetLife's authority or consent to use the AmMetLife name and logo to promote or to refer to these events.
