The Product Disclosure Sheet (PDS) provides some of the key information that you should consider before you buy a medical insurance policy that best meet your needs. You should read your insurance policy contract carefully for full details on your coverage.

FIND OUT MORE:

Step 1 Is this policy right for you?

- This policy is a yearly renewable traditional standalone medical plan. It covers hospitalisation and surgical expenses ("H&S") incurred due to illnesses covered under the policy up to age 100 next birthday, subject to portfolio withdrawal condition.
- Your premiums will be pooled with other policy owners' premiums to pay claims. If the total claims paid out from the pool of fund is high, the premium for all policy owners in the same pool may increase, including your premiums **even if you did not make a claim.**

Step 2 Does it meet your needs?

What is covered?

- Hospital Room & Board: RM150
- Surgical expenses: As charged (subject to Reasonable & Customary Charges)

Benefits payable are on pay first claim later basis and subject to:

- Overall Annual Limit:
Policy Year 1 & 2: RM90,000
Policy Year 3 & onwards: RM100,000
- Overall Lifetime Limit: No Limit

What is not covered?

- Medical conditions that you had, or had symptoms of, before buying the plan (i.e. pre-existing condition)
- Specified illnesses (e.g. hypertension, diabetes)
- Diseases requiring quarantine by law
- Any treatment or investigation which is not Medically Necessary

This is not a complete list. Please read your policy contract carefully for full details on what is and is not covered.

The benefit(s) payable under eligible policy is (are) protected by PIDM up to limits. Please refer to PIDM's TIPS Brochure or contact AmMetLife Insurance Berhad or PIDM (visit www.pidm.gov.my).

Step 3 Can you afford the increase in premiums over time?

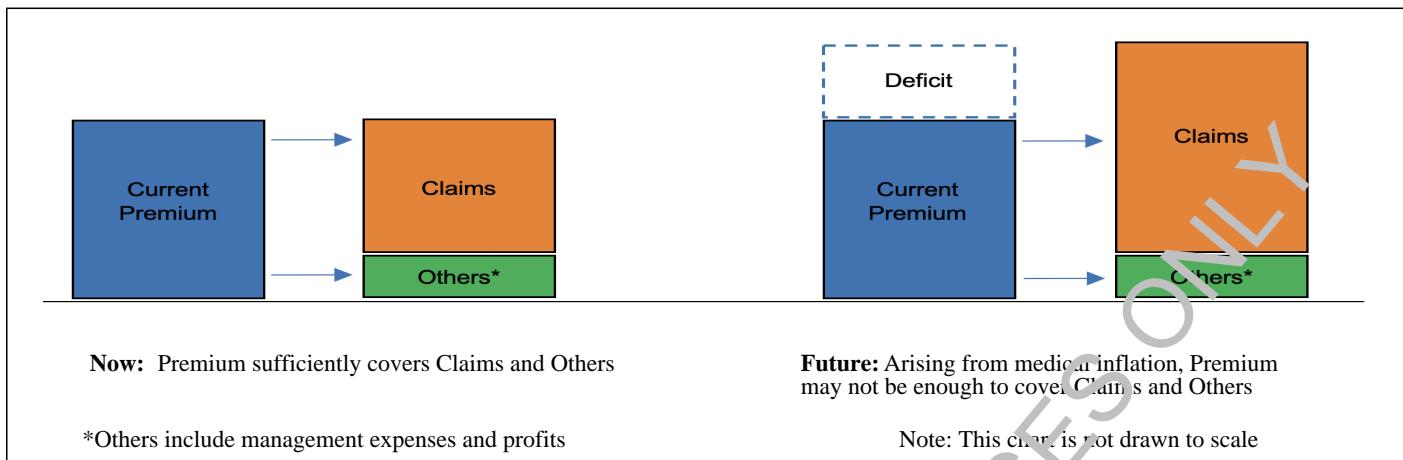

Premium Projection Table

Age Next Birthday	Current premium upon attained age (RM)	Estimated premium		Over the long term, you can reduce premiums payable by choosing plans with:
		Based on medical inflation of 5% ¹ per annum (RM)	Based on medical inflation of 10% per annum (RM)	
30	448			
35	473	664	762	
40	524	1,030	1,358	
45	621	1,714	2,596	
50	830	3,211	5,583	

- The projection above is solely for **illustration purposes only**.
- Premiums are affected by both the increase in treatment costs and the increased use of healthcare services by policy owners. This can result in actual medical inflation rate being higher or lower than the above illustration. We are undertaking the necessary cost containment measures in co-operation with other stakeholders to manage premium increases over time.
- The bulk of your premiums will go to paying claims. On average, for every RM1.00 of premium paid, RM0.72² is allocated to pay claims. The remainder goes to pay management expenses and profits of the insurers.

¹This is the year-on-year increase in the average treatment cost as billed by hospitals to the insurance and takaful industry from years 2020 to 2023.

²This is based on insurance and takaful industry average data from years 2021 to 2023. The actual experience of the plan you purchase may differ from the industry average.

Step 4 What else should you be aware of?

- You must answer the questions that we ask fully and accurately. Failure to take reasonable care in answering the questions may result in rejection of your claim or termination of your policy.
- If you decide you do not want this policy within 15 days from the date receiving the electronic notification sent by AmMetLife informing that your policy has been issued or upon receipt of your Policy Contract, whichever is earlier, you can contact us to cancel your policy. The premiums that you had paid less medical examination expenses incurred (if any) will be refunded to you.
- Your coverage will only start 30 days after the Effective Date of the policy. Except for accidental coverage, where the coverage will commence immediately from the Effective Date of your policy.
- The stamp duty that you have to pay for every new policy is RM10.
- Your premium will increase accordingly to your age on next birthday at each policy anniversary.
- If you switch to another insurer or transfer from one policy to another, you may be subject to the new terms and conditions (i.e. underwriting requirements, waiting period and etc.) of the new policy or the new insurer.

This is not a complete list. Please read your policy contract carefully for full details on the key terms and conditions.
